Fresno, CA 93720

Located just a short drive north of Downtown Fresno, this amazing 300-acre facility is the only regional park of its size in the Central Valley. Home to the California Junior College and High School Cross Country Championships, the park has hosted CIF State High School Cross Country Championships, Junior College State Championships, and WAC Championships. The park has expanded its action sports venues to include a world-class BMX track, mountain bike trail and dirt jump BMX park. The park is year-round.
